## **BELGRANO & CO has advised the shareholders of MONTI-Werkzeuge GmbH on the sale to Norvestor Equity AS**

**Bonn – December 19, 2019.** Norvestor Equity AS ("**Norvestor**"), a Nordic private equity firm investing in medium-sized companies, has acquired MONTI-Werkzeuge GmbH ("**MONTI**").

MONTI's patented technologies and innovative solutions for e.g. the oil and gas, pipeline, automotive and marine industries ensure the best possible bond for protective coatings and sealants without loose abrasive materials and waste.

With the acquisition of MONTI, Norvestor strengthens the activities of its portfolio company Presserv Holding AS ("**Presserv**"), a specialist in preservation and corrosion protection. The close cooperation between MONTI and Presserv will create a unique platform for the development of products and services to fight corrosion.

### **About MONTI**

MONTI, founded in 1987 and headquartered in Hennef, Germany, is a globally renowned provider of rotary bristle blasting technology and a manufacturer of special surface preparation equipment for surface cleaning, coating and mill scale removal and for anchor profiles. The company is worldwide known for its MBX<sup>®</sup> and Bristle Blaster<sup>®</sup> technologies.

MONTI employs 35 people in its corporate headquarter and production facility in Hennef and the U.S. branch offices in Houston and Manassas. Outside the USA and Canada, MONTI operates through a global network of distributors.
