

BELGRANO & CO

CORPORATES ♦ FINANCIALS ♦ M&A

Overview

BELGRANO & CO is an integrated corporate finance consulting firm based in Hamburg. We assist entrepreneurs and mid-sized companies in defining and successfully pursuing their strategic objectives. Our advisory concept combines all four conventional types of consulting services such as strategy and financial consulting, transaction advisory and PMI. Main focus is the preparation and successful implementation of buy-side and sell-side transactions.

Consulting services

Strategy consulting	Financial consulting	Transaction advisory	Post-merger integration
<ul style="list-style-type: none">• Review and development of the business model• Development of superior growth strategies• Competition analysis and market studies• Preparation of target lists	<ul style="list-style-type: none">• Business plan drafting• Preparation of financial information (based on monthly and annual financial statements)• Professional bank reporting documents• Moderating bank negotiations• Financial communication for all aspects of financial transactions• Tapping public funding in Germany and EU	<ul style="list-style-type: none">• Company valuations and fairness opinions• Target identification• Buy-side advisory• Minority and majority stakes• Market tests• Sell-side advisory• Corporate succession• Asset disposal in restructuring and receivership situations• Sales out of insolvency (fire sales)	<ul style="list-style-type: none">• Definition of integration aims• Supporting the organic process of integration• Selection of the ideal leadership team• Alignment of employee behavior• Interlinkage of operational business activities

Service approach

- Tailored and customized solutions
- Long-term experience in cross-border project management
- Highest quality standards
- Objectivity and independence
- Passion paired with high social skills
- High value-add for costumers

Why BELGRANO & CO?

- BELGRANO & CO combines long-lasting experience in strategy consulting as well as in international M&A advisory
- Our scope of consultancy services
 - begins earlier (strategy consulting) and
 - ends later (post-merger integration) than traditional corporate finance advisories
- Consequently, we offer integrated and comprehensive advisory service to our clients.
